Primary Hyperoxaluria Patient Information Day

Birmingham Children's Hospital

Saturday 27th April 2013

10am - 3pm

Additional Information

The day is open to anyone affected by Primary Hyperoxaluria - patients, relatives, friends and clinicians.

Children can spend the day in the Play Centre where they will be supervised by a team of fully-qualified Play Workers and entertained by a professional entertainer.

Refreshments will be provided free of charge throughout the day.

There is no charge to attend but please reserve a place in advance for catering purposes by e-mailing **Melanie Dillon** at melanie.dillon@bch.nhs.uk

Travel

New Street train station is a 12 minute walk away from the hospital and Snow Hill a 5 minute walk.

A large number of buses serve the city centre. For routes and stop locations visit www.networkwestmidlands.com

Birmingham Airport is a 20 minute drive from the Hospital or a 10 minute train journey to New Street Station. Taxi ranks and car hire firms are available in the main arrivals building of the airport.

Accommodation

The Thistle Hotel at St Chad's is a 5 minute walk from the hospital and Hotel Du Vin is an 8 minute walk away.
